Hi Cathy,

My school absolutely loves the Max Graphic System. We have used it to make recognition awards for students and parents that are recognized at the Hart County Board Of Education Meetings at our school. A parent volunteer and a student are chosen to be recognized at each Board meeting from the school that is the host. It is so COST EFFECTIVE (saving \$\$\$) and EASY to make these awards verses purchasing them at a trophy shop. You get the look you want at a fraction of the cost.

The training on the use of the system at the beginning when it was purchased made all the difference in the world in its use for my school. Speaking for myself, if I know how something works and I don't have to spend a lot of time (that I don't have) on figuring out how it works, I will use it!!! And I Do!!!

Thank you,
